

Five Steps To Responsibly Search Google Images

by Naomi Bates
teacher librarian
Northwest High
School, Justin TX

select "usage rights"

click on "search tools"

Go to Google Images and search for a particular image

<http://www.the imageURL>

select "labeled for non-commercial uses"

click on any of the Creative Commons Images

click on "view webpage" to cite correct URL

If you teach this, you help students become responsible users on the web instead of the 'free-for-all' mentality

For more Creative Commons friendly websites for images, music, videos and other tools, use this
